Every time someone steps off the dock onto a Lund, something begins. A memory. A tradition. A story.

Making a personal-best catch. Watching a grandchild's first cast. Trying a new lure or technique. Taking the whole family for a sunset cruise. Lund is built for these moments. Every design, detail and decision reflects our passion for delivering exceptional on-the-water experiences.

# EXPLORER

NEW  
MODEL

## BUILT FOR THE PURSUIT

The all-new Explorer has everything that matters—dependable performance, smart design, and everything you need to fish hard. No flashy extras. No distractions. Just a solid, purpose-built rig for anglers who measure their days in casts and catches.

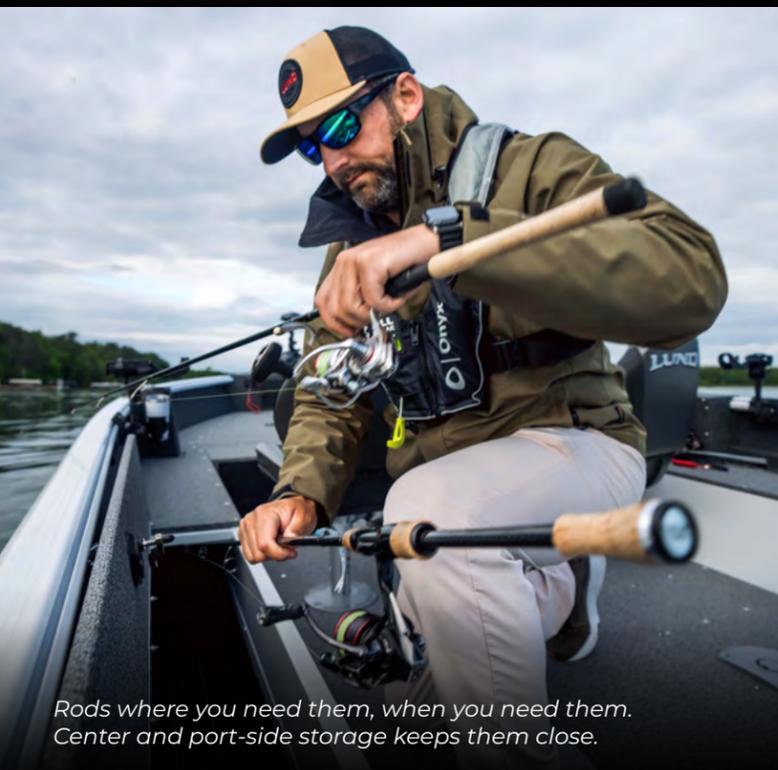

SEE IT IN ACTION

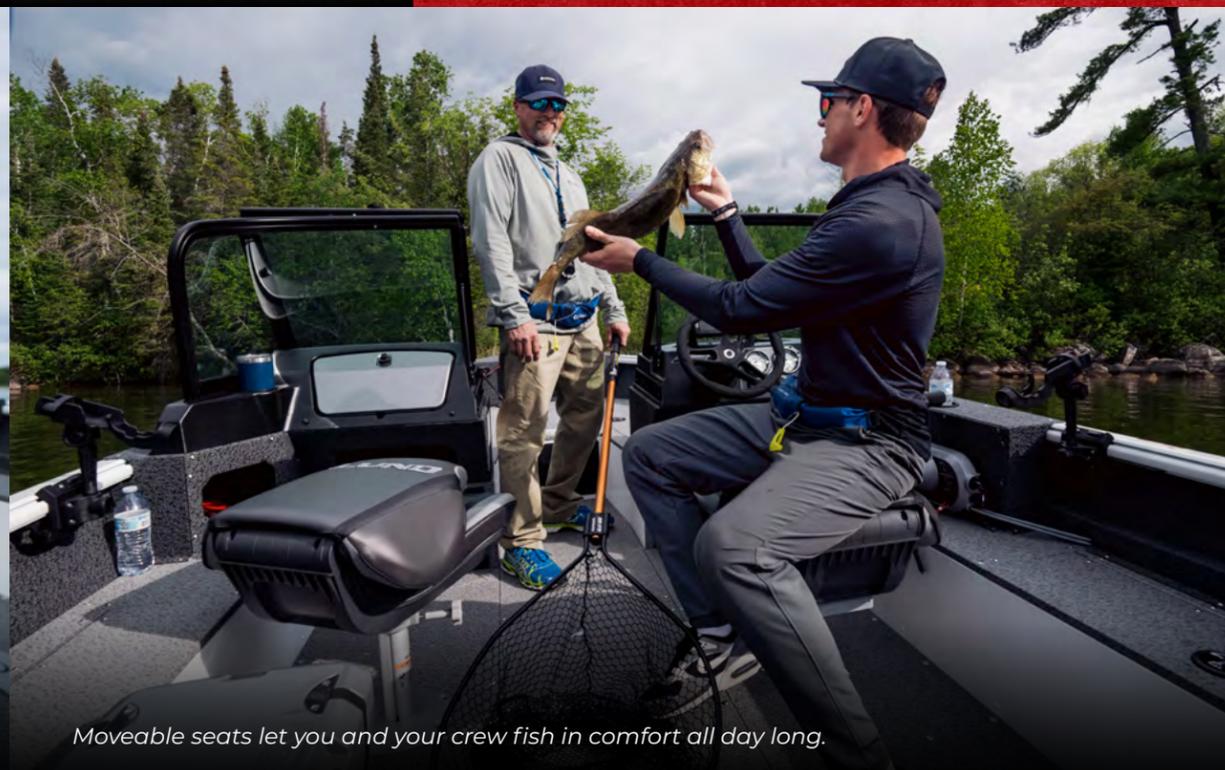

A massive 15-gallon livewell ensures that your fish will stay healthy during long days on the water.

“The Explorer name has a rich history with Lund as a fishing machine. We built the new Explorer to hit the mark for the next generation of anglers who value fishing features without the frills.”

—Dan Anonen, Sr. Manager  
Product Portfolio and Strategy

Rods where you need them, when you need them. Center and port-side storage keeps them close.

Moveable seats let you and your crew fish in comfort all day long.

**3 NEW  
MODELS**

**BUILT TO FISH HARD. BUILT TO LAST.**  
The new HG Series doesn't back down. Forged for rugged waters, shallow runs, and rock-riddled bays, these heavy gauge boats are all muscle and no nonsense. Welded for strength. Designed for work. Trusted by those who fish where others turn back.

**SEE IT IN ACTION**

Extra-heavy-duty hull thickness provides extreme performance for your extreme adventures.

Washdown spray hose makes cleaning your boat easy and quick.

“ The HG is built on the same core values that define every Lund: performance, quality, and durability. This is a fish-first platform, designed with serious anglers in mind. But it also offers the versatility today’s customers expect, with features that support family recreation as well.”

— Dan Anonen  
Sr. Manager Product Portfolio and Strategy

A variety of cockpit enclosures protect you from the elements no matter where you roam.

# IMPACT GL

**NEW  
MODEL**

## TAKE CHARGE ON THE WATER

The stunning new Impact GL is the perfect blend of function and style. Its fiberglass design delivers outstanding fishability, smooth performance, and fuel efficiency—making it a smart, affordable choice for those who want to do it all on the water.

SEE IT IN ACTION

“ The 185 Impact GL came to life as a fishing-first fiberglass Deep-V boat. It’s designed with a spacious bow deck full of fishing features, with a balanced cockpit and aft deck to handle family activities and maximize seating. This is an attractive fiberglass option for people looking for something just a bit smaller, while still providing excellent performance with lower horsepower engines.”

— Rory Wiebe  
Product Manager

For all the fishing and fun that drives you, the Impact GL is a smooth, sleek fiberglass boat at a friendly price.

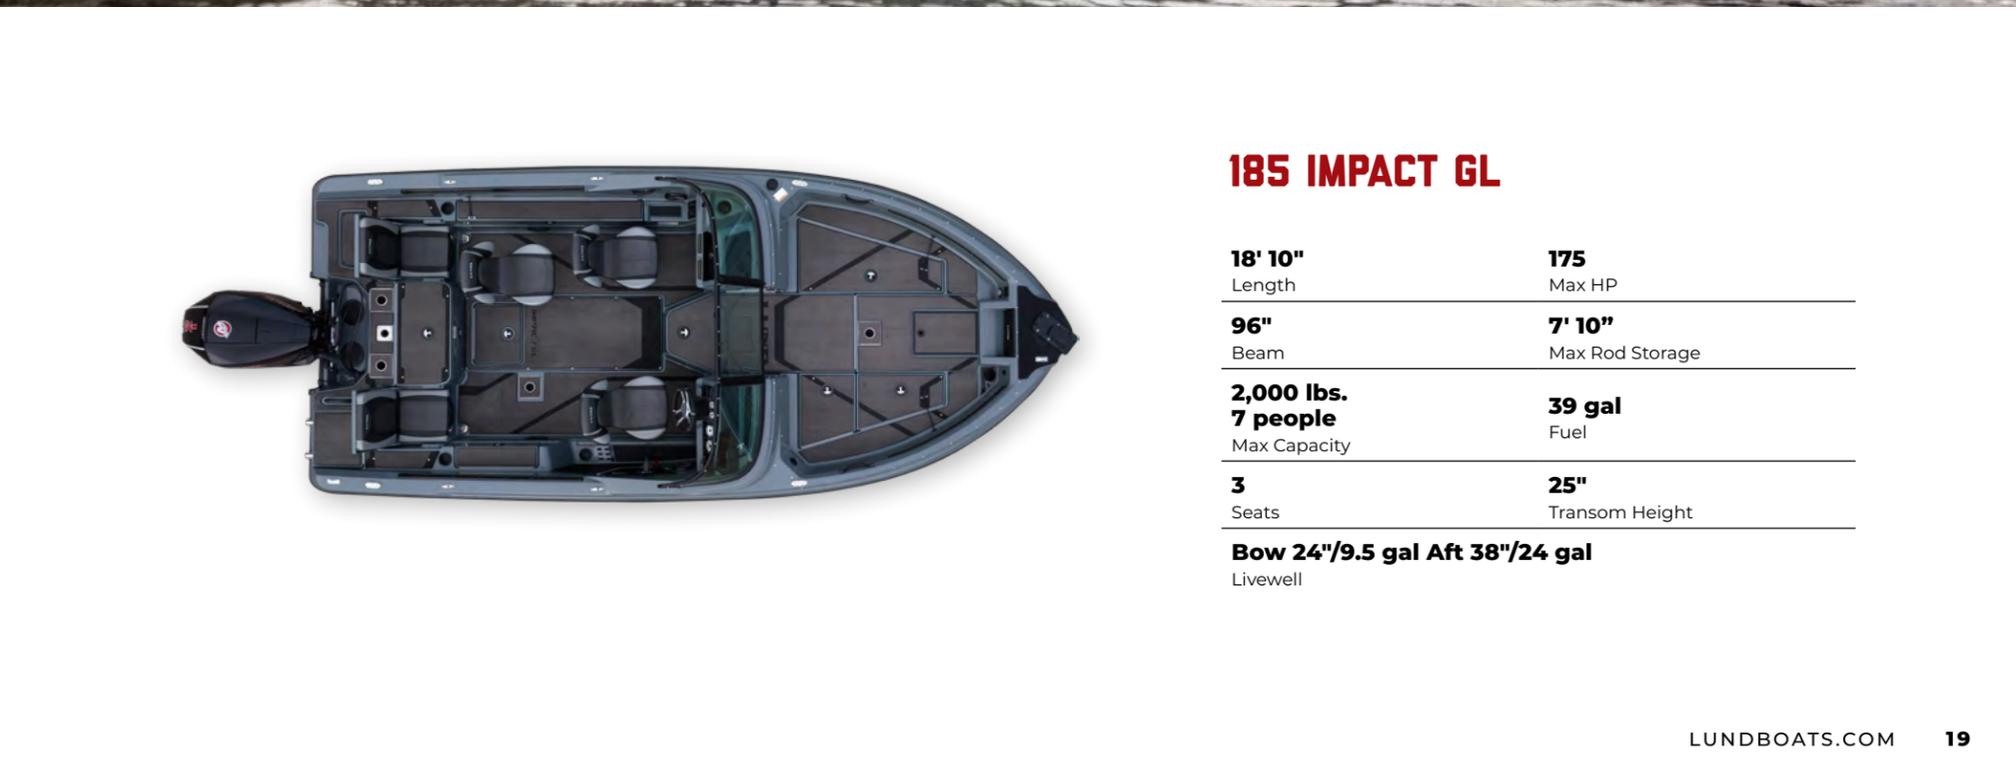

Command your craft and thrill the family in style with premium consoles and room for advanced electronics.

The roomy interior allows the whole family to make great fishing memories.

A rugged, hand-laid fiberglass hull provides stability, safety, and premium performance.

# THE LUND DIFFERENCE

Since 1948, Lund has been delivering boats of legendary quality with industry-leading innovation and versatility from the heart of lake country in New York Mills, Minnesota.

Constructed with professional grade materials to withstand a lifetime of use, Lund boats are prized by resorts, fishing guides and professionals. Our boats are carefully designed with features and layouts to meet the needs of both hardcore anglers and fishing families. For nearly eight decades, Lunds have been crafted by passionate enthusiasts who don't just build our boats—they own them.

## CONSTRUCTION

From leading construction practices inspired by Lund employees to sophisticated robotic technology installing rivets in aluminum hulls, Lund is continuously innovating and improving the way boats are made. Highlights include the high-grade aluminum, HDP composite transoms\*, double-riveted seams, and wood-free construction\* for worry-free performance and peace of mind.

“ I’ve taken my 2019 1675 Adventure on all five Great Lakes multiple times. By far the best boat I’ve ever owned. I bought this boat after fishing in an identical one, and I’ve had two friends buy Adventures after fishing mine. It’s an absolutely fantastic all-around boat. I would buy another one in a heartbeat.”

— Ryan B,

## VERSATILITY

Anglers revere Lund boats for their versatility. Smart layouts and fishing-first features make them ideal fishing platforms for casting, jigging and trolling for all types of fish. And it’s easy to switch to recreation, with many models offering integrated boarding ladders, ski pylons, SportTrak accessories, and bimini top options.

“ I have an 1875 Crossover and it’s an incredible fishing boat over my previous boat. If you want to turn it into a fishing boat, you can do that and then in an instant switch over to family recreational joy. They thought of everything! Plus, it is built so solid.”

— Joe M.

## PERFORMANCE

Lund boats are designed to deliver a smooth, dry ride with precise handling, impressive fuel efficiency, and superior stability. From acceleration to cornering, every detail is engineered for confident performance on the water—powered by Lund’s exclusive IPS and IPS2 hulls.

“ I have a 2023 Lund 1875 Crossover and absolutely love it. We mainly fish on Lake Erie, and the Crossover is deep and wide—we’ve always felt safe. This was our first boat in over 30 years, and we will stay in the Lund family! Looking at the Baron for next season.”

— Becky L.

## HERITAGE

Lund was founded in 1948 with a sole purpose: to build the finest boats possible to access waters for fishing and hunting. Through the generations since, our reputation has grown as our quality is proven again and again on the toughest waters in North America.

“ My grandparents bought this 1983 Lund brand new in Plainfield, Indiana. Over the years, it’s been docked in three different states, and five generations of family have made countless memories on it. The hours of fun we’ve shared are beyond measure. Grandpa would be proud!”

— Ron M.

# COMPLETE LINEUP

## EPIC MOMENTS COME STANDARD

From walleye in the Canadian wilds to salmon on the Great Lakes, and from crappie on the hometown waters of the Midwest to big bass on the massive reservoirs of the South, there's a Lund to meet your needs.
